Common-sense standards of decorum apply. Comments must be respectful; no profanity or insults are allowed. Comments pertaining to City business and official actions are the most valued, but comments pertaining to City officials' ability to fulfill their job duties due to events, actions, or activities that occurred outside the scope of their duties as a city official may also be offered. Constructive criticism of City officials is allowed including constructive criticism specifically mentioning City officials or employees by name as to official actions, but defamation, personal attacks and impertinent assertions are not allowed.
